Hi there! 🙌

Start a chat. We're here to help you 24/7.

analyse the document and explain me the requirements mentioned here

Sample_BRD_Document.pdf

Document-Based Analysis of the Requirements

Below is a concise, document-sourced description of every requirement that appears in the Business Requirements Document (BRD). Each item is referenced to the section (or paragraph) where it is listed.

1. Functional Requirements (Section 7 – “Functional Requirements”)

ID	Requirement (Source/Text)	Priorit	Interpretation
----	---------------------------	---------	----------------
